- Bingham, Alvin B., 506.

# Index of Subjects

## A

AAHA Meeting Held in Chicago, April 23-26. Silver Anniversary, 543.  
Abomasal Ulcers and Aftosa, 215.  
Abortifacient in Feedlot Heifers, Repositol Diethylstilbestrol as an, 507.  
Abortion Attributed to *Listeria Monocytogenes* Infection in a Range Herd of Beef Cattle, 434.  
Abortion in a Flock of Bred Yearling Ewes, Paratyphoid Dysentery and Paratyphoid, 22.  
Abortion in Cows Due to Avian Tubercle Bacilli, 428.  
Abortion of Sheep, Chlorotetracycline as a Preventive of Vibronic, 24.  
Abortion, Studies on Experimental Epizootic Bovine, 19.  
Abortion Syndrome in Wisconsin, Pathological Changes Associated with the Lowland, 164.  
Abscesses in Beef Cattle, Liver, 296.  
Abscesses in Swine, Prevention and Treatment of Cervical, 389.  
Acidity on Rabies Virus, The Influence of Certain Antibiotics and, 325.  
Acids Increased in Malaria-Containing Erythrocytes, 60.  
Actinomyces in a Child, Cervical, 116.  
Actinomycosis in Yugoslavia, Bovine, 255.  
Adenocarcinoma, Hypertrophic Osteoarthropathy in a Dog with Pulmonary Metastases Arising from a Renal, 231.  
Adenocarcinomatosis of the Mammary Glands in a Dog (Diagnosis), May 15, adv. p. 42.  
Adenomatosis in Man, Pulmonary, 69.  
Adenomatosis in the Lungs (Jaysiekte) of Sheep, 342.  
A.F.I.P. Policy for Veterinary Pathological Specimens, Change in, 500.  
Aftosa, Abomasal Ulcers and, 215.  
Aftosa, Swine May Be Carriers of, 433.  
Aftosa Virus in Frozen Bacon, 202.  
Agalactia in Sows, Puerperal Sepsis and, 333.  
Agammaglobulinemia, 177.  
Agammaglobulinemia in Man, 393.  
Agglutinins in Canine Serums, 283.  
"Agribusiness", Job Opportunities in, June 1, adv. p. 48.  
Agricultural Research, Literature of (Book), 406.  
Agriculture, Atomic Energy and (Book), 303.  
Agriculture, Atomic Energy in (Book), 499.  
Air Embolism Hazard During Phlebotomy, 428.  
Albuminuria, Quick Test for, 393.  
Aleutian Disease in Mink, 283.  
Allalia Hay, Experimental Production in Calves from Cows Fed White Muscle Disease (Myopathy) in Lambs and Calves, III, 211.  
Allalia Hay, Phosphorus in, 400.  
Allalia Silage, Estrogen in, 486.  
Allalia, The Estrogenicity of, 131.  
Allergy, Mosquito Bite and, 395.  
Alpha Toxin, Staphylococci, 498.  
American Animal Hospital Association, Twenty-Fifth Anniversary, 451.  
American Board of Laboratory Animal Medicine Brochure Available, 224.  
American College of Veterinary Pathologists, Examination —, 407.  
American College of Veterinary Toxicologists Organized, 304.  
Among the States and Provinces, 42, 92, 135, 183, 225, 264, 306, 351, 407, 454, 501, 545.  
Anaplasma Immunity, Effect of Cortisone on, I, 180.  
Anaplasma Immunity, Effect of Cortisone on, II, 180.  
Anaplasma Marginalis, Detection of, 87.  
Anaplasma Marginalis from Bovine Carriers, Infection and Antibody Response in Deer Experimentally Infected with, 283.  
Anaplasma Marginalis, Morphology of, 303.  
Anaplasma Marginalis, Infection in Cattle, Chemotherapeutic Control of Experimental Babesial and, 63.  
Anaplasmosis in Wyoming, The Incidence of, 61.  
Anaplasmosis (U.S.L.S.A., 1957), 54.  
Correction: 203.  
Anatomical Nomenclature, 191.  
Anatomy, A Crumbling Cornerstone, Veterinary, 497.  
Anemia, Feline Infectious, 222.  
Anemia in Man, Parenteral Use of Iron for, 400.  
Anemia, Preventing Pig, 347.  
Anesthesia for Bovine Cesareanotomy, 18.  
Anesthesia for Cats, Trimar, 105.  
Anesthesia, Reaction of a Parrot to, June 15, adv. p. 38.  
Anesthesia, Tranquilizers Used in, 512.  
Anesthesia, Veterinary (Book), 406.  
Aneurysms with Prosthesis, Repair of, 18.  
Angiography, Renal Failure Following, 23.  
Animal Care Panel, 30.  
"Animalport" Dedicated at New York's International Airport, Coleman, 303.

Anomaly of the Reproductive System of the Pig, An, 281.  
Anthelmintics for Poultry, 13.  
Anthelmintics for Swine, Piperazines as, 180.  
Anthrax (Report on Zoonoses), 203.  
Anthrax (U.S.L.S.A., 1957), 49.
